

# THE BULL IS BACK

**Raging Bull** the striking son of Christian Cullen from Artsplace mare San Sophia joins us again at Llowalong Farms for the 23/24 breeding season.

This will be Bull's second season here in Australia, we are looking forward to his first crop of Ausustralian bred foals to arrive over the next few months.

His first Australian bred foal to be born is a colt from

Smooth Felicity, making him a half-brother to Ozzie Playboy 1:55:0, \$189,795.

The colt was a hit at our recent Llowalong Farms Stallion Parade, showing off his Llowalong Farms Stallion Bonus rug.

**Raging Bull** has already proven himself as a successful stallion in the breeding barn in New Zealand since stepping into the role prematurely in 2014, after succumbing to injury and being retired from the racetrack after only ten starts.

His record of 5 wins and 5 seconds reflects the potential he showed on the track and his potential as a sire.

His first starters stepped onto the racetrack in 2017, and since then he has had 37 starters for 30 winners giving him a fantastic strike rate of 81% winners to starters.

**Raging Bull** has had success at the highest level with son Wildwest winning at Group 1 level when taking out the 2022 WA Cup for trainer Gary Hall.

Wildwest a son of Jeremes Jet mare Bay Jet, stepped out for his racetrack debut at Winton NZ on the 11th of May 2019 where he

impressively won by 12.5 lengths running his final 400 in 26.3, and clearly caught the eye of Hall, a prolific buyer from NZ.

Wildwest won his first 7 starts for Hall upon arriving in WA, he won his first start by 35 meters, running his last half in 54:6, his stats stand at an impressive 44 starts, 14 wins and 9 placings with \$527,829 in the bank. That figure is still growing with a recent win at Gloucester Park.

Other class performers by **Raging Bull** are Our Bare Knuckle 1:51:5, Give Me A Minute 1:52:1 Princess Holly 1:52:6, Mi Furioso Toro 1:54:2, Katies Princess 1:55:6 and Eastanbull 1:55:8.
