

AUSTRALIAN MADE STALLIONS - MORE BANG FOR YOUR BUCK

An announcement made on 7th September by Harness Racing Victoria has certainly made it even better to breed your mare to one of the highly talented “Colonial” Stallions now available in Victoria... at least for Breeders whose broodmares are based in Victoria.

The foal resulting from breeding a Victorian based broodmare to an Australian [or New Zealand] bred stallion based in Victoria will receive a First Win Vicbred Bonus of \$12,000. Congratulations Harness Racing Victoria on this ground breaking initiative.

The shuttling of leading North American Stallions, commencing with In The Pocket in the late 1990's and in more recent times with stallions such as American Ideal, Art Major, Bettors Delight, Mach Three and Somebeachsomewhere have catapulted our Australian and New Zealand bred Pacing horses to be the equal of any in the Northern Hemisphere.

So now the best of our racehorses who are retired to Stud duties in the Southern Hemisphere and who possess similar bloodlines to those racing in North America, deserve the respect and support of every Broodmare owner in Australia.

Remember Colonial Stallions like Christian Cullen and Classic Garry rose from humble beginnings [in terms of the number of mares bred] to become Leading Stallions in Australia and New Zealand.

Remember that three Southern Hemisphere bred mares trifected a major Stakes Race at The Meadowlands last month. Major Occasion [by Art Major], Shartin [by Tintin In America] and Soho Burning Love [by Auckland Reactor] left the best of the North American mares in their wake. Shartin is of course the fastest mare in the History of the Standardbred.

A ROCKSTAR, A POSTER BOY AND A TRIBECA ARE NOW SHINING BRIGHTLY AT NORTHERN RIVERS EQUINE.

You don't just need a Bonus to be considering these Three “Blue Bloods” - they have the Breeding, the Athletic ability and the Physical make up to put them on the same playing field as any Stallion the World over.

They were all bred by Australian Breeders in Australia.

POSTER BOY **1.49.1 \$803,310.**

Bloodlines as modern as can be. His Sire Somebeachsomewhere was a champion racehorse, a champion Sire and now fast becoming a great Sire of Sires and Broodmares.

His Dam Aston Villa is by the World's greatest ever Broodmare Sire Artsplace and is the reigning Australian Broodmare of the Year.

His forte - blistering high speed which gave him 22 wins from 30 starts including Five Group Ones and a Group Two - all as a 2, 3 and 4 year old.

Remember he is also the ONLY horse to hand a defeat to the new brightest star in the current sky of Australian Harness Racing in Ride High.

SOHO TRIBECA **1.53.8 \$1,103,854**

By one of the World's leading Sires American Ideal from probably Australia's greatest Broodmare of this Century in Pixel Perfect [by Art Major].

How many horses in the Southern Hemisphere ever beat the Kiwi champion Lazarus on more than one occasion? Well **Soho Tribeca** did on two occasions as well as defeating stars such as Lennytheshark, Chicago Bull, Tiger Tara and Bling It On etc in major Stakes races.

Probably his greatest ever performance was in defeat when he breezed the entire mile in the 2018 Miracle Mile to go down by the narrowest of margins - his own personal time 1.47.

His presence and his temperament match his Breeding... All Five Star.

YANKEE ROCKSTAR **1.52.2 \$329,048**

By the champion racehorse and Sire and now Sire of Sires Rocknroll Hanover. A horse rated by legendary Trainer Brett Pelling as one of the best three horse to ever occupy a stall in his Barn - the very first 2 year old in Harness History to record a sub 1.50 victory.

Rockstar's Dam, Aston Villa, is by the greatest of them all Artsplace, so **Yankee Rockstar** is bred on the same cross as the highly successful stallion Rock N Roll Heaven.

He is an imposing individual of 16 hands and is siring foals with size, strength and lovely temperaments.

LOCALS **SUPPORTING LOCALS**

To borrow a slogan from Harness Breeders NSW... it is important for our Industry in Australia to support our Home Grown stallions . It ensures that all the money that you as Breeders contribute in Service Fees remains in Australia to be reinvested in our Industry.

Poster Boy, Soho Tribeca and Yankee Rockstar are sons of some of the World's greatest Sires in Somebeachsomewhere, American Ideal and Rocknroll Hanover.

Their progeny are Eligible for VicBred, Bathurst Gold Crown, Breeders Crown and can be Eligible for other State Futurities including NSW Breeders

Challenge depending on where the foal is conceived and born.

Bookings are still available to these three exciting and beautifully bred Stallions.
