NORTHERN RIVERS EQUINE VETERINARY CLINIC STALLION SERVICE AGREEMENT

TERMS AND CONDITIONS

- 1** The owner/Lessee agrees to pay Northern Rivers Equine Veterinary Clinic the service fee payable on a 42 day positive pregnancy test. **The service fee is to be paid within 30 days** from the date that Northern Rivers Equine Veterinary Clinic issues the Owner/Lessee with a tax invoice. The service certificate WILL NOT be issued until the account is paid in full.
- 2** This agreement and any charges hereunder shall not be assigned nor transferred and in the event the said mare is sold or consigned for sale, the service fee, if unpaid, shall immediately become due and payable.
- 3** Live Foal Guarantee (LFG) conditions: should the mare prove to not be in foal, slip, has a dead foal or the foal fails to stand and suckle or the mare dies, the owner shall be entitled to a free return service for the following season for that mare or substitute mare mutually agreed by both parties. A veterinary certificate must accompany all Free return claims.
- 4** The LFG is null and void if:
 - **the service fee is not paid in full from 30 days of the invoice date.**
 - if in the opinion of a qualified veterinarian, the mare's owner is negligent in the management or provision of such management of the mare during her pregnancy and or at the time of foaling which could contribute the death of either mare or foal.
- 5** Northern Rivers Equine Veterinary Clinic has the right to refuse service to any mare it deems unfit for breeding. Mare owners agree that mares bred under this agreement shall be healthy and in sound breeding condition.
- 6** It is the responsibility of the mare owner to Notify NREVC in writing if the mare dies or is unfit to be bred prior to or during the breeding season. Should the stallion become unfit for service for any reason during the current breeding season the agreement shall be considered null and void.
- 7** Neither Northern Rivers Equine Veterinary Clinic nor the owners of the stallion, make any representations as to the stallions fertility, including but not limited to it's ability to cause a mare to become pregnant.
- 8** The owner of the mare agrees that no claim will be made against Northern Rivers Equine Veterinary Clinic for any loss or damage which the owner may suffer arising from the death or injury to the mare named herein as a result of breeding under this Agreement.
- 9** Semen will not be provided until a signed and completed Stallion Service Agreement has been received and approved by Northern Rivers Equine Veterinary Clinic.
- 10** The service fee relates to the provision of semen only. All other costs including scanning, insemination, vet fees, agistment, working fees etc incurred at the destination of the semen or where the mare is served, are the obligation of the mare owner or lessee and do not form part of this agreement.
- 11** Northern Rivers Equine Veterinary Clinic reserves the right to limit the provision of semen to a maximum of two shipments per cycle and to a maximum of 3 cycles per season per mare. Northern Rivers Equine Veterinary Clinic reserves the right to supply semen to approved destinations only within stallion collection days being Monday, Wednesday and Friday.
- 12** Semen transport containers and or their contents that have been tampered with or defects detected in the semen that may have occurred after leaving the premises of Northern Rivers Equine Veterinary Clinic are not the responsibility of Northern Rivers Equine Veterinary Clinic.
- 13** For mares served via transported semen the owner/lessee must notify NREVC the result of the first scan 15 to 18 days after service. The owner will be invoiced at 50 days if Northern Rivers Equine Clinic has not been notified of a result.
- 14** Northern Rivers Equine Veterinary Clinic reserves the right to forward any outstanding accounts to the appropriate Harness Racing Authority or to a debt collection agency in the event that accounts are not paid within accordance of this agreement.
