

TWO EXCITING BROTHERS...

ONE IS A

Rockstar

& ONE IS A

Poster Boy

They were born four years apart and have different Dad's but they are both handsome individuals and have a Mum who is sired by the greatest Sire of Broodmares in the history of Standardbred Breeding.

Yankee Rockstar and Poster Boy are their given names, consigned to them by their Breeders Bill and Anne Anderson who trade and breed their horses under the moniker of Lauriston Bloodstock.

Aston Villa, an American bred mare by Artsplace, is their Dam and herein sits the formula to high probability of success in their careers as Stallions.

Artsplace has been one of the greatest Stallions of any breed to set foot on this earth and it is his ability to sire Females to influence our Breed that puts him on a pedestal above all others.

We have already seen the highly successful Stallions Always B Miki,

Captaintreacherous, Rock N Roll Heaven and Western Terror develop their siring power from having Artsplace Dams... and that List will escalate with each passing year.

Now the two Brothers have something else in common - they have become permanent residents at Kath and Luke McIntosh's picturesque **Llowalong Farms** at Kyabram in northern Victoria. ►

TWO BROTHERS - TWO READYMADE RACEHORSES.

Yankee Rockstar is a son of Rocknroll Hanover, the first 2 year old in the history of Harness Racing to take a sub 1.50 record.

Poster Boy is a son of Somebeachsomewhere, an undefeated 2 year old who became a Legend in his own lifetime.

So it is crystal clear that the 2 year old speed of Rocknroll Hanover and Somebeachsomewhere has been inherited by their respective sons.

Yankee Rockstar was undefeated in his 3 starts as a 2 year old including wins in the Victorian Premiere and Sapling Stakes.

Poster Boy was even more impressive at two with 7 wins and two second placings in his 10 start season. Those wins included a VicBred

Final, a Tatlow Stakes, a Youthful Stakes and a Heat of the Breeders Crown. He was unplaced at his very first start in a race, a race that was won in Australian record time... and this was the only time that Poster Boy was ever unplaced in a 4 season career.

Two Year Old speed though wasn't the only string to the bows of these two stunning looking Stallions.

Yankee Rockstar won at Group 1 level as a 5 year old [Cranbourne Cup] whilst Poster Boy won the Chariots of Fire as a 4 year old and was being set for the 2020 Inter Dominion Series as a 6 year old, prior to it being cancelled because of Covid.

Amazingly the two brothers finished their racing careers with exactly the same number of wins and placings... 22 wins and 7 placings.

BROTHERS AT STUD

Pedigree and Performance are the two prerequisites to commence a Breeding career as a Stallion.

Well Yankee Rockstar and Poster Boy certainly get pass marks with distinction on their Report Cards.

As mentioned earlier, having Artsplace in their pedigree via their Dam is definitely giving them an advantage over many other Stallions.

Yankee Rockstar is bred on the same cross as the leading Australian based Stallion Rock N Roll Heaven whilst Poster Boy's breeding follows in the footsteps of the North American star Captaintreacheros.

Yankee Rockstar's first commercial crop of foals are current 2 year olds - numbering 32. He is away to a flyer with two impressive 2 year old winners already from that crop - being

- Rock Artist 1.56.4
2 starts, 2 wins
- Country Rockstar 1.58
2 starts, 1 win.

Poster Boy is about to commence his third season at stud... following on from two Century plus seasons. He bred 124 mares in his debut season and followed up last season breeding 141 mares.

So the Two Brothers - one a Rockstar and one a Poster Boy [sounds like Bruce and Brad] have the doors open for another successful Breeding season.
