A son of the all-conquering **Walner** and from superstar mare **Check Me Out**.

King Of The North has created huge interest already in the southern hemisphere since the

announcement that he will stand supplying fresh/chilled semen to Australia and New Zealand from **Llowalong Farms** in Victoria this season.

Here are some results from previous USA and O'Brien awards highlighting the influence **King Of The North's** bloodline is having on racing in the US and Canada.

King of the North's father **Walner**, grandfather **Chapter Seven** and great grandfather **Windsongs Legacy** all feature strongly, along with a strong presence from his maternal side with his dam **Check Me Out's** sire **Donato Hanover** also featuring frequently on the list.
